Weekly Highlights

by Mrs. Hackert

Excitement is in the air at Sully Christian School! The students presented a wonderful Christmas program Monday evening. We are indeed richly blessed with our Blessing Baskets overflowing!

Students are looking forward to their Christmas classroom parties on Thursday beginning around noon. Room parents are organizing lunch, and students are bringing in snacks to enjoy. Games will be played, laughter will abound, and Christmas break will begin!

Classes will resume on January 3, 2012. The month of January is always the month for ITBS. These tests are now officially called the Iowa Assessments. The tests won't look any different, but the content will change. Test content has been revised,

and a new version will be taken by the students. These new assessments will provide information to track college and career readiness.

When students return to school on January 3, our hot lunch program will be going "Hi-Tech." Please read the information sent home today explaining our new software program for students, staff, and parents. If you have any questions, please call the school office and talk with Laurie.

The Faculty and Staff wish you and your families a very Merry Christmas and a Happy New Year!

THE SULLY CHRISTIAN SCHOOL BOARD WISHES EVERYONE A BLESSED CHRISTMAS AND A HEALTHY AND HAPPY NEW YEAR!

Used SCS Apparel

Don't throw them out! Do you have any 'hand-me-down' SCS apparel that you are not using anymore? There will be a collection box at school for you to drop off your good condition, well loved SCS apparel. Once collected, this apparel will be available for other SCS families to use. More details of where and when to look through and pick up these items will come soon! Any questions, contact Candice Vos or Laurie Loftus.
