STO STATEWIDE SURVEY

Scholarship funds offered by the Legacy of Grace School Tuition Organization (LOG STO) are made possible through the Educational Opportunities Act of 2006, a State of Iowa tax credit program to encourage donations to organizations such as ours. Legacy of Grace School Tuition Organization will participate in a voluntary evaluation of the program's effectiveness. As part of the evaluation, a small number of families will be contacted to participate in a short survey to share their opinions.

If you are selected to be a participant in the evaluation, your personal information will remain confidential and will not be shared with anyone other than the evaluating agency. The evaluating agency will only use the information to compile an overall statistical report on the program. Your participation is not mandatory, but will be invaluable to ensure that this scholarship program continues to be available and responsive to you and your child's educational needs.

If you desire to be excluded from participation in this evaluation, please provide the following information along with your signature and send to Legacy of Grace School Tuition Organization, 300 Eagle Lane, Pella, IA, 50219 prior to May 1. Once this is done, you will be removed from the list of potential participants for the 2009-10 school year program evaluation.
